I, the undersigned, do hereby agree to make timely payments for sewer and/or water service received by me. I also agree to abide by the Rules and Regulations of the Sandusky County Sanitary Engineer's office regarding the use of sewer and/or water facilities.

If I am receiving sewer service, I understand that it is against the Rules and Regulations to permit any clean water connections into the Sanitary Sewer System.

If I am receiving water service, I understand that should my service be disconnected due to nonpayment, it will not be restored until the balance due is paid in full along with a turn on fee. I understand that all piping and water for the curb stop located at the right-of-way through the house is my responsibility. However, the meter is the property of the County. I agree that all water that passes through the meter is my responsibility. In addition, I understand that it is against State and Federal law to use lead fittings, pipe, or solder in the installation or repair of any water lines.

My signature certifies that I have read and understand the above, and that I am the responsible person for billing and payment purposes.
